

IV International Conference on El Niño Southern Oscillation: ENSO in a warmer Climate

16-18 October 2018. Guayaquil, Ecuador

Second announcement: Call for Abstracts

ABSTRACT SUBMISSION IS NOW OPEN

Abstracts can be submitted via the Conference website from September 2017 until 30th April 2018. Selected contributions will be invited for oral presentation, all others as posters. All abstracts must be submitted in English, with a maximum of 3000 characters and must exclude symbols, mathematical formula and figures.

GOAL OF THE CONFERENCE: To review the progress on the science of ENSO with a focus on examining the range of ENSO “flavors”, assess the existence of possible, and distinct precursors, and examine how the different oceanic and atmospheric processes that drive the different ENSO flavors and impact their predictability would vary in a warming world.

Co-chairs of the Scientific Organizing Committee:

Mike McPhaden (PMEL/NOAA), Jose Santos (CLIVAR), Andrew Wittenberg (GFDL/NOAA)
